

# Neon Lamps

## Wire Ended T1 1/4

**multicomp**PRO

### Feature

- Neon lamp without series resistor

### Specification Table

| Maximum Strike Voltage |     | Nominal Current (mA) | Recommended Series Resistor |           | Brightness | Body Length | Lead Length | Wire Ended Types | Part Number |
|------------------------|-----|----------------------|-----------------------------|-----------|------------|-------------|-------------|------------------|-------------|
| AC                     | DC  |                      | 110V AC                     | 240V AC   |            |             |             |                  |             |
| 65                     | 90  | 0.55                 | 100K 1/4W                   | 330K 1/4W | Standard   | 10.5        | 23          | 4, T1 1/4        | MC08010000  |
| 95                     | 135 | 1.8                  | 33K 1/4W                    | 100K 1/4W | High       |             |             |                  | MC08020000  |
| 65                     | 90  | 0.55                 | 100K 1/4W                   | 330K 1/4W | Green      |             |             |                  | MC08030000  |
