RE: PCN # ESU270-49 – SP5002-06TTG, SP5003-04TTG& SP2574NUTG TVS Diode Array EOL

To our valued customers,

Littelfuse would like to notify you of our decision to obsolesce SP5002-06TTG, SP5003-04TTG and SP2574NUTG of TVS Diode Array (SPA® Diodes) due to sustained lack of end market demand.

Effective date: Apr 21th, 2020

Last time buy date: July 31st, 2020 or sooner

Final product shipment date: Dec 31st, 2020

Littelfuse recognizes and respects the need to allow time for our customers to transition existing designs, and we are committed to assist in the process. SP2555NUTG is drop in replacement for SP2574NUTG. There are few crosses because the use case for SP5002 & SP5003 is shrinking. It is our duty to advise drop-in/functional alternatives.

Part Numbers Affected:

Affected part number	Replacement
SP5002-06TTG	SP5001-04TTG functional
SP5003-04TTG	
SP2574NUTG	SP2555NUTG drop in

This notification is for your information and acknowledgement. If you have any other questions or concerns, please contact Jia Zhu, Product Manager.

We value your business and look forward to assisting you whenever possible.
