WASABI

GPS sport smartwatch

This sport smartwatch is named after the Japanese Wasabi spice, which works with incredible speed and gives a bright spicy taste to any dish. Canyon Wasabi watch model is designed for those who want to maximize their results in sports. Everything that an athlete needs is placed under a durable waterproof case, round full-touch display and a stylish dial. This includes GPS tracking, IP68 standard of water resistance, heart rate sensor, and accelerometer. Tracking could be adjusted for popular sports, including swimming. You can share data to Strava, get weather forecasts and much more. Canyon Life App synchronizes the clock with your smartphone and saves daily statistics, instantly delivering all notifications from the smartphone to the watch. An ultra-capacious battery that works up to 5 days on a single charge will help you to uncover the maximum of your sports capabilities. A full-fledged gadget for your sports records!
