

mm50 Portable Speakers for iPod

Home > Speakers + Audio > iPod/MP3 > **mm50 Portable Speakers for iPod**

Pump rich stereo and big bass from a small package. Enjoy it wherever you go with a rechargeable battery and protective case.

Overview

Audio Quality

Immerse yourself.

- **Max-X™ High-excursion Drivers:** Enjoy full, balanced quality in a compact design.
- **3" Pressure Drivers:** Maximize bass response while minimizing distortion.
- **"3D Stereo":** Surround yourself with wider stereo sound.

Convenience

Simplify life.

- **Charging Dock:** Recharge your iPod while you listen.
- **10-Hour Rechargeable Li-ion Battery:** Listen longer without buying more batteries.
- **Wireless Remote Control:** Sit back and relax.
- **Protective Travel Case:** Take it anywhere.

iPod Compatibility

Works with the new iPod nano, iPod classic, and iPod touch!

[Find the correct adapter for your new iPod \(PDF\) >>](#)
