

Data Sheet: SMTC-003 Soldering Slot Tip Cartridge 600 Temp Series

Designed for reworking SMT components, SMTC tip cartridges do it all - assembly, removal and cleaning. The SMTC range includes slot, tunnel and quad tip cartridges. SMTC soldering tip cartridges are for use with the MX-RM3E soldering/rework hand-pieces for STSS/MX systems only. They cannot be used with SP systems, Talon hand-pieces or desolder hand-pieces.

SMT Type	A	B	D
Chip 1808, 1812	.190"	.080"	.075"

SMTC-003 Soldering Slot Tip Cartridge 600 Temp Series .190", Chip 1808, 1812
