## Before Change

Trays on the impacted parts are packed with trays rotated 180° every other tray

Trays will move to being packed in the same direction/orientation for ease of use at customer site

## After Change

### Overview

- For ease of use and to remain consistent with packaging standards on similar products, we will orient the direction of the trays within the packaging to all face the same direction
- Improve and simplify customer experience with unpacking and using these products
- There will be no impact to DU/MLQ
- This will be a running change; during the transition to the new packaging standard customers may receive a mix of old and new packaging until inventories have been depleted
- Product Impact
  - No impact to fit, form or function
- Part Number Impact
  - See attached impacted parts list
- Qualification Reports and samples available upon request after the date shown above
