A diagram of a P1 cell, which is elongated and oval-shaped. Inside the cell, there is a central vertical line representing the cell wall. Four arrows point to specific locations on the cell membrane: PIN18 points to the top-left corner, PIN19 points to the top-right corner, PIN1 points to the bottom-left corner, and PIN2 points to the bottom-right corner. The cell contains a central vertical line with small circles along it, representing internal structures.
