TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Multimate contacts

Description of Changes

1) Add part number 5-163081-4 to customer drawing 163081. 2) Change the revision letter of the parts to match the revision letter of the production drawing. No physical changes are being made to any of the parts.

Reason for Changes:

Product Improvement. 1) Part number 5-163081-4 was released years ago and never included on the customer drawing. 2) Clerical errors on previous engineering changes caused a revision mismatch between the production drawing and the part revisions.
