

## Battery-Operated Cutter, ACSR, 2 Ah

Klein's battery-operated cable cutter is engineered to make linemen's work more efficient by reducing the time and effort needed on the job. Cuts up to 500 MCM copper, 500 MCM aluminum and 556 ACSR cable. 7-ton hydraulic force crimps a larger capacity faster than similar models on the market. Compatible with industry standard W-style dies. Powered by DeWALT 20V lithium-ion batteries. Includes cutting jaw, two 2 Ah batteries, charger and bag.

## **Specifications**

Weight:

Type:       Battery Operated       Application:       Cable Cutting         Special Features:       Powered by DeWALT 20V Lithium-ion Batteries (2 Ah)       Maximum Cable Capacity (Copper):       500 MCM         Maximum Cable Capacity (Aluminum):       500 MCM       Maximum Cable Capacity (ACSR):       556 MCM         Overall Length:       26" (66 cm)       Overall Height:       12" (30.5 cm)         Overall Width:       6" (15.2 cm)       Material:       ABS, PA6, GF, TPE         Batteries:       Lithium-ion       Battery Life:       2 Ah         Voltage:       20V       Included:       Cutting Jaw, (2) 2 Ah Batteries, Charger and Bag	•			
Maximum Cable Capacity (Aluminum): 500 MCM  Overall Length: 26" (66 cm)  Overall Height: 12" (30.5 cm)  Overall Width: 6" (15.2 cm)  Material: ABS, PA6, GF, TPE  Batteries: Lithium-ion  Battery Life: 2 Ah  Voltage: 20V  Included: Cutting Jaw, (2) 2 Ah Batteries, Charger	Туре:	Battery Operated	Application:	Cable Cutting
Overall Length:       26" (66 cm)       Overall Height:       12" (30.5 cm)         Overall Width:       6" (15.2 cm)       Material:       ABS, PA6, GF, TPE         Batteries:       Lithium-ion       Battery Life:       2 Ah         Voltage:       20V       Included:       Cutting Jaw, (2) 2 Ah Batteries, Charger	Special Features:		Maximum Cable Capacity (Copper):	500 MCM
Overall Width:       6" (15.2 cm)       Material:       ABS, PA6, GF, TPE         Batteries:       Lithium-ion       Battery Life:       2 Ah         Voltage:       20V       Included:       Cutting Jaw, (2) 2 Ah Batteries, Charger	Maximum Cable Capacity (Aluminum):	500 MCM	Maximum Cable Capacity (ACSR):	556 MCM
Batteries: Lithium-ion Battery Life: 2 Ah  Voltage: 20V Included: Cutting Jaw, (2) 2 Ah Batteries, Charger	Overall Length:	26" (66 cm)	Overall Height:	12" (30.5 cm)
Voltage: 20V Included: Cutting Jaw, (2) 2 Ah Batteries, Charger	Overall Width:	6" (15.2 cm)	Material:	ABS, PA6, GF, TPE
	Batteries:	Lithium-ion	Battery Life:	2 Ah
	Voltage:	20V	Included:	

16.03 lb (7.27 kg)
