

N4233 Lamp Pad Tall

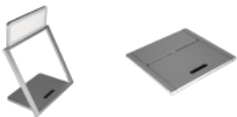

This ultra-slim portable desk lamp is perfect for use as a travel lamp due to its slim design, which also acts as a stand. Its size makes it easy to pack into a bag and the slim design enables it to be used in a variety of settings.

The base of the lamp features a discrete touch sensitive control, which enables the user to also increase/decrease the light via the continuous dimmer.

The lightweight Lamp Pad Tall is perfect for use when travelling, as a reading light or simple desk lamp.

This silver lamp charges via a standard USB to micro USB cable which is supplied.
