ABS Plastic Sealed Enclosures multicomp PRO
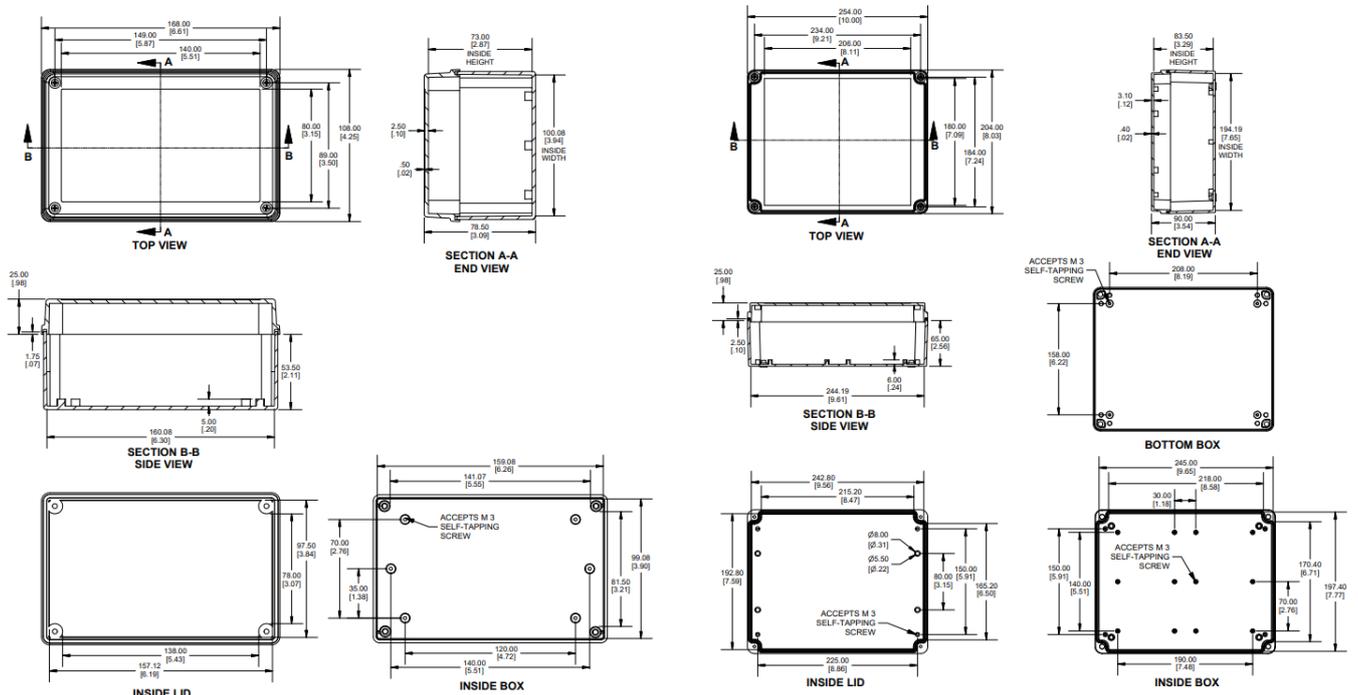

MC001289

MC001290

Features

- Designed to house P.C. boards sealed from dust and water (not for outdoor use).
- Molded in light grey general purpose ABS plastic with a light texture (material carries a UL flammability rating of UL94 HB).
- Two-part styled lid construction. Top half includes smooth recessed area for membrane, label or silkscreen.
- P.C. board standoffs are molded into the bottom (two smallest sizes) and molded into both halves of the enclosure (two largest sizes). See photo tables for details. Four short M3 self tapping screws included.
- Gasketed lid with two piece "tongue & groove" construction provides protection against access of oil, dust and water.
- Designed to meet IP65.
- Includes four M4 assembly screws (see table below for type).
- Lid screws are self captivating (lid holes are threaded with the first installation of lid screws).
