Details of the Product Changes

1. Affected Part Numbers

09 67 000 9925	09 67 000 9930	09 67 009 0423
09 67 015 0423	09 67 025 0423	09 67 037 0423
09 67 050 0423		

2. Reason for Product Termination

The long knurled locking screws 09 67 000 9925 and 09 67 000 9930 are no longer necessary as spare parts because with the change to our new design the locking screws are captive and cannot be changed.

HARTING offers new sets with already assembled long knurled locking screws. To keep a system in the part numbers, we are changing the part number (PN) for the hood family 09 67 0xx 0423.
