

## Square End Rules

**Roebuck**

Square end rules are manufactured from hardened and tempered high quality British steel and conform to BS 4372-1968

for accuracy. Etched from precise glass masters with satin chrome finish and blackened graduations for wear resistance and non-glare viewing. Front side marked 64ths and 32nds: figured in inches. Reverse side marked 1.0mm and 0.5mm: figured in millimetres.
