

## Engineers Straight Edges DIN 874

**Roebuck**

Roebuck steel straight edges are manufactured to DIN 874 and are available in 2 grades. Each straight edge is serialised and marked with its supporting points on one side face. Working and side faces are fine ground.

### DIN 874/2 General Purpose

490541

| Length (mm) | Section (mm) | Order Code | Price Each |
|-------------|--------------|------------|------------|
| 500         | 30 x 6       | 137-5968   |            |
| 750         | 40 x 8       | 137-5971   |            |
| 1000        | 40 x 8       | 137-5972   |            |
| 1500        | 50 x 10      | 137-5973   |            |
| 2000        | 60 x 12      | 137-5974   |            |

### DIN 874/1 BS Grade B

| Length (mm) | Section (mm) | Order Code | Price Each |
|-------------|--------------|------------|------------|
| 500         | 40 x 8       | 137-6078   |            |
| 750         | 50 x 10      | 137-6079   |            |
| 1000        | 50 x 10      | 137-5975   |            |
| 1500        | 60 x 12      | 137-6080   |            |
| 2000        | 70 x 15      | 137-6082   |            |
