

Description

The Oil Only socks have a white spun bond outer skin with a recycled hydrophobic absorbent filling. These offer fast absorption of Oil Only liquids and act as a containment barrier for any incidental spills.

The hydrophobic properties within the Oil only socks allow the sock to float on water and collect/absorb oil-based liquids from the surface without absorbing any water. These are ideal for use outside where standing water may be present.

Part Number Table

Description	Qty. in Pack	Absorbency	Part Number
Oil Only Sock, 7.5cm × 1.2m	20	4.5L Per Sock	MP005306
