Product Overview

Light and Portable

At less than 30g the TV stick weighs no more than a cherry tomato and is small enough to easily fit in your pocket. Forget about cables, plug the stick into any TV, monitor or projector with an HDMI port to turn it into a smart TV!

Easy to Set Up

Set up your Mi TV Stick in an instant. Just three easy steps to get going and you can start enjoying everything the Mi TV stick has to offer in no time!

1. Plug into your TV.
2. Connect to WiFi.
3. Start exploring.

Limitless Entertainment

Use the Google Play Store to download your favourite streaming and gaming apps and stay entertained for hours; including all of the popular apps such as Netflix, YouTube, Prime Video, Disney+, HBO, Red Bull TV, Spotify, Twitch, PLEX and Google Play Movies & TV.

Smarter Experience with Android TV

Mi TV Stick is powered by Android TV 9.0 which supports voice search and Chromecast connecting you to a world of content. Catch up on your favourite TV shows, play games, watch the news or turn on the radio. Mi TV Stick also recommends videos based on your personal YouTube and Google Play preferences!

Bluetooth Remote with Google Assistant

No more typing. Press the mic button on your remote to quickly find what you're looking for, whether you're searching for your favourite show, song or asking about the weather. Further featuring one click access with dedicated Netflix and Prime Video buttons. Harness the full power of the Google Assistant and use voice commands to control not just the Mi TV Stick, but your other compatible smart home devices!

Smart Cast

With built-in Chromecast you can easily cast videos and other content from your phone, tablet or laptop directly to your TV screen in 1080p.

1. Tap to cast wirelessly.
2. Cast from your iPhone, iPad, Android device or laptop to your TV.
3. Take calls without interrupting what's playing on the TV.
4. High speed streaming HD playback.

Premium Surround Sound

Mi TV Stick supports both DTS and Dolby multichannel HD audio decoding. The result is a smoother, dynamic, immersive and more realistic stereo surround sound during ultra HD Blu-ray video playback.

Bring It Everywhere

Never miss an episode when you're away from home. Bring the TV stick with you wherever you go.
