

TIME LED®

2W LED SOLAR POWERED WALL LIGHT WITH PIR

SPECIFICATION SHEET

PRODUCT CODE: 778173

The low energy 2W LED Solar Powered Wall Light with PIR is ideal for any garden or driveway. The light integrates 20 SMD LEDs that offer a 300-lumen light output distributed over a wide 120° beam angle. The PIR sensor activates the light only when a motion is detected in a range of 3-5 metres. Complete with on/off mode, the efficient solar charging makes for an eco-friendly lighting solution. This Solar Powered floodlight comes fully IP65 rated, meaning the durable ABS and PS casing are perfect for enduring any weather.
