Ready for Video Calls

It doesn't matter if you work from home or if you're at the office, video calls are the new, easy way to communicate with colleagues, business partners and family members around the world. The Trust Doba 2-in-1 Home Office set provides an HD webcam and a comfortable headset so you can call anyone with clear sound and a clear picture. And they work with all Video Chat applications, too.

Clear Video

The HD Webcam provides a clear picture during your calls in 720p resolution. Thanks to the automatic white balance, this webcam creates smooth pictures in any light condition, so you can focus on your meeting.

Clear Sound

Thanks to the comfortable headset, you can be sure you'll hear what your team has to say and that they can hear your every word. The thick cushions will take care of your comfort, so it doesn't matter if a call takes longer than expected. This plug-and-play set makes video calling easy.
