

November 12, 2019

Dear Valued Customer,

This letter serves as your formal notification that Belden is discontinuing the Hirschmann **SPIDER I and II families**.

The SPIDER I and SPIDER II switches contain components which have become obsolete. Belden has a limited stock of these devices that will last until final delivery date (May 31, 2021).

The already available SPIDER III family is the recommended replacement for the SPIDER I and II switches, as it provides the functions and solutions you gained from the switches being discontinued.

Discontinued Product(s)

Last Order Date: November 30th, 2020

The standard warranty terms will be honored for all units shipped to date. For more information on Belden's Long Term Product Support Policy for Industrial Networking products, please visit www.beldensolutions.com/ltps. Special contracts in place and active prior to the announcement date will be honored according to the terms of that contract, with regard to product availability, warranty, or support terms.
