ADDITIONAL NOTES

Due to LM's customer demand for LM811 and LM817, we have made special arrangements to secure the chipsets for an additional two years. Therefore the Scheduled Orders Last Shipment Date is March 2024. The Scheduled Orders Last Order Received Date remains the same at March 2021.

Message from Realtek: "For the factors that economic efficiency and market demands are decreasing for production scale, we will phase out the product, RTL8723BU-CG, by the middle of Apr. 2021."

The LM842 BT5.0 Adapters may be suitable alternatives.
