Designed & Engineered  
**IN THE USA**

- + Enjoy HDTV network programming and your favorite shows for Free. No monthly fee, no subscription, no contract.
- + **DUALBOOST** Get more HD channels along with the best picture and sound possible with our innovative dual stage amplifier technology. It outperforms every other current technology by boosting the signal at the antenna while boosting the signal at your TV.
- + Patented, 360° multi-directional design eliminates need for constant adjustments
- + Excellent signal reception quality
- + Great complement to streaming players
- + Dependable backup television source when storms knock out cable or satellite television
