White 1 Gang Vertical Brush Plate with White Brushes PSG03774

OVERVIEW

- 1 gang vertical brush plate with white brushes, for use wherever cables pass through walls to keep the outlet looking clean and tidy.
- Mounts straight on to wall or on to a standard UK back box (not supplied).
- Cable entry dimensions (HxW): 55x20mm.

CLEANING & MAINTENANCE

- Clean the plate with a soft cloth lightly moistened with a mild detergent.
- Never use any abrasive or solvents.
