TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

8 and 14 position AMPSEAL Headers Customer Drawing changes

Description of Changes

The Industrial and Commercial Transportation business unit of TE Connectivity is making a change to the mounting hole geometry view on the customer drawings for the drawing numbers listed below. The part numbers associated with the drawings are TE proprietary designs, therefore considered catalog/general market product.

Reason for Changes:

Customer Request. Dear Customer, we hereby inform you of this change. The change is necessary to make the views consistent across all customer drawings. This consistency will aid the customers use of the information in their application development. The change does not impact connector performance.
