Warranty Extension

Extend the standard 12 month manufacturer Warranty of your Ultimaker 3D Printer with 3DGBIRE™s extended Warranty option to 36 months

3DGBIRE offers a Warranty Extension to the Manufacturer Warranty, this extends the Warranty from 12 months to cover 36 months from the date of purchase.

3DGBIRE is the official Ultimaker after sales and support partner for the UK and Ireland. When choosing one of our extended warranties, the best service and support for your Ultimaker 3D Printer is guaranteed.
