

ESD Safe Silicone Soldering Repair Mats

multicomp PRO

**RoHS
Compliant**

Description

These ESD safe silicone soldering repair mats comes with a variety of useful pockets ideal for holding screws pins and other items. The pockets have an incline allowing for easy access. Holes at either side of the mat are useful for holding tools such as screwdrivers, tweezers etc. Optional magnets can be fitted underneath to further secure metal parts.

Features

- Non-slip surface
- ESD safe
- Magnetic if required
- Heat resistant up to 100°C
