

Soldering Flux Pen

RoHS
Compliant

Features

- Portable and user-friendly.
- Refillable and compatible with common flux, such as rosin and alcohol.
- Prevents the flux from evaporating and improves soldering performance.
- Easy to keep track of the amount of flux inside with the transparent pen body.

Specifications

Pen Capacity : 10ml
Bottle Capacity : 20ml

How to use

- Fill the soldering flux pen with flux.
- Cleaning the soldering point with alcohol cotton to remove oil and dust would be better.
- Apply a proper amount of flux to the soldering point and then start soldering.

Part Number Table

Description	Part Number
Soldering Flux Pen	D03461
