XM7 Mini USB Connectors - DISCONTINUATION

In an effort to streamline our product offering and focus on popular models of Omron's line of connectors, OMRON will discontinue the XM7 Mini USB connectors and dust cover models in February 2022. The standard USB 2.0 models on the XM7 datasheet **will still be available**. There is no suggested replacement for the mini USB models. The following notification will explain the discontinuation; should you have any additional questions, however, please communicate with the Connector Product Manager, Patrick Lahey.
