

Multipurpose Boxes

With Lids

Features :

- The boxes are moulded in ABS to give maximum strength but can be easily punched or drilled for individual requirements and to produce a professional looking end product.
- They are available in black, white and light grey as standard but other colours may be available on request show you require to add that individual touch to your products.
- All but MB4 have a polished finish.
- Printed circuit board slots are provided on certain types to allow ease of manufacture.
- The lids are retail by M3.5 countersunk screws into brass inserts.
