

SEAMLESS KNITTED AND COATED GLOVES

This range of products offers best fit, highest comfort and allows therefore most efficient working in general purpose applications.

DURO TASK

3142

Rough, blue, natural rubber coating in combination with a seamless cotton/polyester liner to provide excellent grip also when handling wet objects. Pre-shaped anatomical hand form for highest comfort. Used in various kinds of general purpose applications like assembly work, construction industry, warehousing, etc. The winter version of this glove the Duro Task Sub Zero is mentioned on page 25.

WITH LATEX COATING

art.no.	sizes
NF14	7S, 8M, 9L, 10XL, 11XXL
Standards	EN420, EN388
CE Category	Intermediate Design
Packaging	12 pairs per polybag, 144 pairs per case

NITRI TASK

4121

Seamless white nylon liner to provide excellent fit and comfort, coated with smooth Nitrile to give good grip and dexterity especially in dry applications. The good fit and grip allows the worker a high work efficiency, e.g. during assembly work with small parts.

WITH NITRILE COATING

art.no.	sizes
NF13	7S, 8M, 9L, 10XL, 11XXL
Standards	EN420, EN388
