

## MULTIPURPOSE FRAGRANCE FREE DETERGENT WIPES

### For Cleaning & Damp Dusting

Our Multipurpose Midi-Wipes fit into blue section of the BICS colour coded cleaning system, and are ideal for cleaning lower infection risk areas. These wipes are the go-to for damp dusting areas such as hallways, bannisters, window ledges etc.

Use Multipurpose wipes on anywhere where there is less risk of bacterial contamination. The perfect choice for anywhere that needs a good clean, they are specially designed to remove general dust and dirt.

**Dermatologically tested to be safe & kind to hands.**
