Type of Notification:

Coating material and marking change for LVR005~LVR055 series products

Description of Change:

Due to Littelfuse will use another yellow epoxy coating scheme that can meet both GB30981-2020 requirements, halogen free and product performance requirements. A marking change will also be implemented to identify the difference.

This change will be available starting 1st Jan 2022.

If you would like to have more information, please contact your local sales representatives.
