

Decorative Cable Management

Typical applications

- Cable Path Floor Edging
- Benches and Worktops
- Coving and Cornices
- Display Cabinets

Quadrant D-Line (22x22mm) is ideal for hiding cables at floor level, or above worktops!

The patented hinged and click-lock lid in a unique single piece design makes the product easy to handle and easy to later add or remove cables.

Also available are packs of flush-fit accessories (couplers, bends, cable inlets & outlets, end caps etc.) for perfect finish (see below) eliminating the need to mitre corners.

Lengths supplied White ...D-Line can be painted. Self adhesive backing for easy fitting.

D-Line is the perfect choice to hide wires in stylish profiles that simply blend with modern decor ... saving the need to chase behind walls and re-decorating, or lifting floors!
