

RoHS
Compliant

Description

This is a kind of DP to DVI adapter with 15CM cable. This adapter has the ability to deliver high-definition digital audio and video to the display in packet data format-allowing selective screen area updates and provides power saving features required for notebook applications. With one single cable for AV applications thus reduces cost on both the PC side as well as the display side.

Features

- DisplayPort v1.1 Compliant
- Enable high quality optional digital audio transmissions
- Supports a minimum of 1080P resolution 24-bit color depths

Part Number Table

Description	Part Number
DVI to DisplayPort Adaptor Lead	PSG08063
