Change Overview

- Contents for change: Manufacturing transfer from Supplier A to Supplier B/C
- Reason for change
 - One of our subcontractor - supplier A will go out of business at the end of June 2020 because their business environment became getting worse due to COVID-19 issues and cannot continue current production line.
 - We decided that it is the highest priority action to keep suitable supply of products to our customers and decided to urgently transfer the objective products to another suppliers.
 - Supplier B and C are our existing suppliers. They have ISO9001 certificate, and they have enough quality capability and experience of connector manufacturing. And Molex fully Qualify the change before shipment from new location.
- Product Impact: No impact to fit, form or function
- Part Number Impact: See attached impacted parts list.
- How the change implement: Running change
