

360° Rotating Digital Signage Display Wall Mount 37" to 70"

pro-SIGNAL

Description

This 360° rotating, universal display mount holds displays up to 50kg /110lbs and will fit most 37"-70" flat panel displays. With 360° of continuous rotation, the flat-panel can be effortlessly displayed in landscape or portrait positions and the mount is a two-piece design for easy installation. A slide-in VESA plate provides easy access for attachment and detachment with an integrated bubble level to help assure an easy and professional standard installation alignment. The sturdy steel frame construction provides a solid and long-lasting performance and a instruction manual is also included.
