PTN2022-01: Product Termination Notice (PTN) for Littelfuse Ignition IGBTs

Dear Valued Partner,

due to the previously discussed supply chain situation relating to the Littelfuse Ignition IGBTs products, we are unfortunately forced to inform you that these products will no longer be available from **February 1st 2023**. We hereby declare an unavoidable product discontinuation for all Ignition IGBTs products, these are shown below in *Table 1* in due time beginning **February 1st 2023**.

In addition, through no fault of Littelfuse, the current market situation has caused a dramatic increase in the lead times of the mentioned products. The lead time for all our Ignition IGBTs is currently at a minimum of 54 weeks.

Littelfuse will obsolete (PTN) Ignition IGBTs. These are listed in *Table 1*.
