## Product Change Notice: Output cable change for GEM40/SGA60/ SGAS60 series

Date : 2022/04/15

By: Frank Chen / Product Manager  
[Frank@meanwell.com](mailto:Frank@meanwell.com)

MEAN WELL has implemented changes to the output cable for part of the models under the following series: GEM40I, SGA60U/E and SGAS60U/E. The wire changes will not affect the characteristics or usage of the products. Implementation of the new version will commence starting April, 2022. Please note a conversion period with both old and new versions is expected, but the price remains the same. Please refer to the latest specifications on our website, or you can contact MEAN WELL's business representative.

**Change in effect:** 2022.04

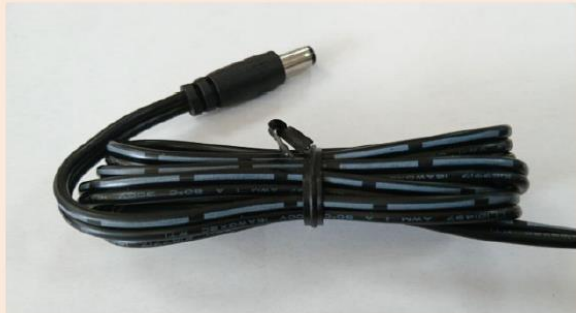

**Affected models:**

GEM40I05-P1J

SGA60U05/07/09-P1J、SGA60E05/07/09-P1J

SGAS60U05-P1J、SGAS60E05-P1J

**Change illustrations:**

Difference between 2 versions	
Old Version	New Version
UL 1571 @14AWG (Thicker cable with round shape)	UL 2468 @16AWG (Thinner cable with flat shape)
