

# supply plate VMPA-FB-SP-7/8-V-5POL

Part number: 541083

FESTO

For valve terminal MPA-S.

## Data sheet

| Feature                                 | Value                              |
|-----------------------------------------|------------------------------------|
| Nominal operating voltage DC            | 24 V                               |
| Permissible voltage fluctuation         | +/- 25 %                           |
| Corrosion resistance classification CRC | 1 - Low corrosion stress           |
| PWIS conformity                         | VDMA24364-B1/B2-L                  |
| Protection class                        | IP65                               |
| Ambient temperature                     | -5 ... 50 °C                       |
| Product weight                          | 200 g                              |
| Electrical connection                   | 5-pin<br>7/8" round plug connector |
| Materials note                          | Conforms to RoHS                   |
| Material cover                          | PA-reinforced                      |
| Material housing                        | Aluminium die cast                 |
