## DIODES

### Bourns® Model CDSOT236-T15/C and CDSOT236-T24/C TVS Diode Arrays to be Discontinued

Riverside, California – August 2, 2022 – In accordance with our product life cycle management procedure, Bourns is transferring the [Model CD-SOT236-T15, CD-SOT236-T15C, CDSOT236-T24 and CDSOT236-T24C TVS Diode Arrays](#) to an End of Product Life status on February 1, 2023. A lack of sales volume and diminishing demand necessitates this action.

| Obsolete Part Numbers |               |
|-----------------------|---------------|
| CDSOT236-T15          | CDSOT236-T24  |
| CDSOT236-T15C         | CDSOT236-T24C |

No replacement part numbers are available at this time.

Customers may continue to purchase these discontinued part numbers during the End of Product Life transition period between now and February 1, 2023. Orders for these discontinued part numbers during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty.

Please plan for the following deadlines:

Last Time Buy Date: **February 1, 2023**

Last Time Ship Date: **August 30, 2023**

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).
