

PDN# 20220914000.3 Discontinuance of ULN2803ADW and ULN2803ADWR Product Discontinuance Notification

Date:September 14, 2022To:PREMIER FARNELLPCN

Dear Customer:

The recipient has been identified for notification of changes for one or more of the products affected by the change detailed in the notice. Customers are notified based on the past twenty-four (24) months of the customer's purchase history or the recipient is listed as being part of GIDEP (Government-Industry Data Exchange Program).

Any inquiries should be directed to your local Field Sales Representative.

If you require additional supply, please contact your local Field Sales Representative to determine if the parts may be available from a TI-authorized distributor for discontinued products. There is no guarantee of continued supply for these products.

For questions regarding this notice, contact your local Field Sales Representative or the PCN Team (<u>PCN_ww_admin_team@list.ti.com</u>).

Sincerely,

PCN Team SC Business Services

Title:	Discontinuance of ULN2803ADW and ULN2803ADWR							
Customer Contact: PCN		PCN Manager	CN Manager		Quality Services			
Change Type:			Product D	Product Discontinuance - End Of Life				
Product Discontinuance Notification Details								
Description of Discontinuance:								
Texas Instruments, Incorporated (TI) is announcing the discontinuance of the ULN2803ADW and ULN2803ADWR devices. A last time buy is not being offered. Recommended replacements are being offered as shown in the Product Affected Section. NOTE: There are no samples offered for withdrawn/obsolete products. If you have any questions, please contact your local sales representative.								
Reason for Discontinuance:								
Assembly sites for these devices are discontinuing 18-pin SOIC (DW) package support. The replacement device is a 20-pin SOIC (DW) package which is not pin to pin to the 18-pin SOIC (DW) package. The 20-pin SOIC (DW) package replacement device can be used interchangeably with 18-pin devices if a 20-pin PCB footprint is used. More information can be found at the <u>e2e ULN2803C FAQ</u> . If you have any questions, please contact your local sales representative.								
Product Affected:
