Overview

- 105162 series add alternative copper material " C5210-SH".
- Change reason: The increasing global demand has caused a global shortage of various metal. This extraordinary situation, in conjunction with an already constrained market, has caused immediate and severe disruption in the industry. Due to these supply constraints, Molex identified an internal shortage of metal supply with would create a challenge to fulfill all orders. Therefore, we identified an alternative sourcing for the product families listed above. After applying of this change, Molex products listed above will be manufactured by one of them - the current supplier's material or the alternative supplier's one by the metal material supply situation.
- Product Impact:
No impact to fit, form or function.
- Part Number Impact:

P/N#
