Affected products:

| Neutrik p/n being discontinued | Direct replacement |
|--------------------------------|--------------------|
| SCNAC-FPX | SCNAC-03 |
| SCNAC-MPX | SCNAC-01 |
| SCNAC-PX | SCNAC-04 |

Discussion:

The replacement products incorporate smaller outer frame sizes than the discontinued ones. Additionally, the replacements do not require metal spacing rings at the fastening screwholes as did the discontinued products. These attributes enable higher packing densities and faster assembly.
