

For use with TO-220 packages

Part Number - 590102B03600G

RoHS Compliant

### Mechanical Outline Drawing

### Thermal Curves

<b>Thermal Resistance</b>	10.00
---------------------------	-------

Thermal resistance value is based on a 75°C rise in natural convection

### Product Information

Part #	Description	Finish	Board Mounting
590102B03600G			

<b>590102B03600G</b>	<b>Channel style heat sink featuring recessed lower fins and solderable tabs</b>	<b>Black Anodize</b>	<a href="#">View Hole Dimensions</a>
This non-electronic component is functionally unaffected by the normal soldering or reflow processes used for semiconductor circuits. The heat resistance time or heat resistance temperature is not applicable for the component.			

### Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your thermal requirements - we can design custom solutions.
