

19" Rackmount Cable Manager 1 $\frac{3}{4}$ " (1 Rack Space) with micro-clips

Item # HCM-1

Description

Organize cable in your rack enclosure with Middle Atlantic's rack mount cable management panels. These panels are made from the highest quality materials to provide a strong yet attractive method for keeping cables organized and properly routed through a rack. Each panel features front mounted D-rings to support cables. All panels feature a durable black powder coat finish.

Features

- 19" rack mount horizontal cable manager with D-rings for organizing cables
- Available in 1.75" 1U space or 3.5" 2U space versions
- Fits standard 19" rack systems for compatibility with existing enclosures
- Front mounted D-rings to support cable
- Durable black powder coat resist damage and scratches

Application

- Data Centers
- LAN aggregation

- MDF/IDF installations
- Network Infrastructure
