

Product Information Bulletin (PIB)

February 16-24, 2023

Subject: Important Product Information – Product Obsolescence & Last Time Buy (LTB)

Dear Valued Customer,

We are contacting you since you have purchased one (or more) of the below reference product series. Moving forward Gems will be obsoleting several products within our pressure sensors portfolio. To assist you with your product needs, we are offering Last Time Buy (LTB) purchases on a first come first served basis. Please refer to the table below outlining the product(s) available on a limited basis subject to last time buy terms of sale outlined on the following page.

Product Series	Last Time Buy (LTB) option or Obsolete	Minimum Purchase Quantity	Minimum Line Quantity	Next Best Alternative (NBA)
1200/1600/2200/2600	LTB	20	20	809, 856, AXD, 1100/3100/3200
22IS/26IS/12IS/16IS/12CS/16CS/22CS/26CS	LTB	20	20	N/A
PS98	LTB	20	20	N/A
4700	LTB	5	5	ASM
4000, 4241, 4264, 5000	LTB	5	5	N/A
1700	LTB	5	5	N/A

Continued...

Last time buy (LTB) purchase terms of sale:

Last time buy (LTB) purchase orders must be received no later than **March 17, 2023**, for scheduled shipments no later than **June 30, 2023**. Purchase Orders will be accepted on a non-cancelable, non-returnable basis only and must meet the required minimum purchase line quantity (shown on the adjacent table). Gems Sensors reserves the right to limit last time buy order quantities, individual shipment quantities and/or adjust delivery dates based on material availability, product yields and capacity.

Currently, we have a limited supply of materials available and encourage you to review your requirements and contact our Gems Sensors customer service team in your region at the below email address for specific last time buy product demands, availability & pricing.
