PCN #: PCN-23-168060

Subject : Heavy Duty Sealed Connector, Protection CAP for Rec Housing

Description of Change : The Industrial and Commercial Transportation business unit of TE Connectivity is approving an alternative PBT-GF30 material for the part numbers listed below. These part numbers are TE proprietary designs, therefore considered catalog/general market product. PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved. Product drawings are not affected.

Reason : Dear Customer, we hereby inform you of this change. The change is required to avoid material shortages. The change does not impact performance of the product. **IMPORTANT:** The current and previous revisions of these parts can be used interchangeably in the field. The change is being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed.
