

Part-No. 244631-E

# SMC Board-on

## 12-pin, cable guide

### Technical Data

|                            |                                   |
|----------------------------|-----------------------------------|
| Applications               | Cable Connectors, PCB Connectors, |
| Pitch                      | 1.27 mm                           |
| No. of Pins                | 12                                |
| Termination                | SMT/IDC                           |
| Max Operating Temperature  | 105 °C                            |
| Data Rate                  | 3 Gbit/s                          |
| Air- and creepage distance | 0.4 mm                            |
| Mating Cycles              | 500                               |
| Configuration              | Cable guide                       |
| Packaging                  | Poly bag 600 pcs                  |
