

Kraftform Kompakt 27 Set 2, 7 pieces

Kraftform Kompakt

EAN:	4013288226587	Size:	240x65x45 mm
Part number:	05051511001	Weight:	220 g
Article number:	Kraftform Kompakt 27 Set 2	Country of origin:	CZ
		Customs tariff number:	82079030

- Bit-holding handle with bit magazine
- Bit holder with strong permanent magnet which holds bits firmly
- Magazine integrated in the handle for bit storage
- With 6 bits in the magazine: Phillips-head Phillips and slotted; tough

Wera compact tool with multi-component Kraftform handle for high working speeds and particularly ergonomic screwdriving. Bit magazine integrated in the handle, 6 tough bits for universal use. Bit holder with strong permanent magnet for secure seating of the bit.

Bit-holding handle with bit magazine

The handle can be opened via an operating button. A magazine for 6 bits is integrated in the handle.

Handle/interchangeable blade system

The handle/interchangeable blade system allows rapid exchange of the blades required for a wide range of applications.

Universal holder with stainless steel sleeve

With stainless steel sleeve and strong permanent magnet.

Tough-absorbing bits (Z)

Tough-absorbing Wera bits (Z) prevent any premature breakage of the drive tip.

Kraftform Kompakt

Prevents hand injuries

The outstanding design of the Kraftform handle that fits perfectly into the hand prevents hand injuries such as blisters and calluses.

Kraftform

The basic idea for the prototype of the Kraftform handle - that the hand should dictate the design - has, right through to today, proved to be correct. In cooperation with the internationally recognised Fraunhofer IAO Institute, Wera developed a screwdriver handle designed to match the shape of the human hand as long ago as the 1960s. After a long development phase, the Wera Kraftform handle was launched to the market in 1968. It has been optimised through the years with new technologies, but has kept its proven shape. After all, the human hand has not changed either.
