## Features:

LBPM 25 to 63A:

## RoHS

Compliant

- Degree of protection IP65
- Panel mount
- 2-hole rear mounting
- Operable from the front (door) coupled with the door mechanism
- Switch with the round padlocking device to prevent the switch from being switched on by unauthorized personnel. (The maximum number of padlocks that can be used is 3 )

## LBDI 25 to 63A:

- Degree of protection IP65
- DIN rail mount
- Metal shaft 280 mm
- 2-hole rear mounting or Snap-On mounting to 35 mm DIN rail
- Operable from the front (door) coupled with the door mechanism
- Door interlock (door opens only in the OFF position). Rigid metal shaft/switch assembly
- Switch with the padlocking device to prevent the switch from being turned to the on position by unauthorized personnel. (The maximum number of padlocks that can be used is 3 )
- Adjustable mounting by cutting the metal shaft to the appropriate length to suit panel height

## Specifications:

Canadian Standards
: CAN / CSA-C22. 2 No. 14
American Standards
IEC and European Standards
: UL508
: IEC 60947-1 and 3, EN60947, VDE 0660-107
