## Technical data

|                            |                                            |
|----------------------------|--------------------------------------------|
| Height                     | 75 mm                                      |
| Width                      | 230 mm                                     |
| Depth                      | 56 mm                                      |
| Material                   | Polyester                                  |
| Colour                     | Squirrel Gray (RAL 7000)                   |
| Ingress protection         | IP66                                       |
| Degree of protection norm  | EN 60529                                   |
| Impact strength            | IK08                                       |
| temperature min.           | -40 °C                                     |
| temperature max.           | 90 °C                                      |
| Seal material              | CR-(Chloroprene)                           |
| Insulation                 | Fully insulated according to VDE 0100      |
| Toxicity                   | Halogen free                               |
| Surface resistance         | >10 <sup>12</sup> Ohm                      |
| Surface resistance norm    | IEC 60093                                  |
| Special colours on request | Yes                                        |
| Approvals                  | Lloyd Register, Maritime Register, UL 508A |

## Commercial data

|                       |               |
|-----------------------|---------------|
| Order unit            | 1 Piece       |
| Customs tariff number | 39269097      |
| Weight                | 0.555 kg      |
| GTIN                  | 4250157900616 |

## ETIM classification

|        |          |
|--------|----------|
| ETIM 8 | EC000058 |
